

Need an idea for that Holiday gift?

The Citizens for Conservation 2012 calendar makes an ideal gift for family and friends and shows your commitment to and appreciation of nature. CFC has produced a colorful masterpiece featuring photographs of CFC properties as well as resident wildflowers and birds. CFC members took the high quality photographs all of which demonstrate the health and diversity of the ecosystems on CFC's preserves.

The calendar's iconic monthly scenes like the oaks of Flint Creek Savanna, the expanse of Grigsby Prairie, the wildflowers at Baker's Lake and the fen at Farms Trails North may bring back memories from previous walks or encourage members to visit the beautiful natural surroundings that CFC supports.

The heavy card stock paper of the 8.5" x 11" calendar allows easy page turning and hangs flat to show the monthly images and calendar grid with special CFC events like the Spring Native Plant Sale marked for your convenience.

The standard calendar is available for \$20. A special customized version makes an ideal gift for all family members. This custom version which can feature birthdays, anniversaries and special events with personal pictures and text is available for \$40 for the first copy and \$30 for each subsequent copy. Creating the customized calendar requires extra time and planning. Contact Jim Bodkin at 847-382-7934 or jrbodkin@comcast.net for details and assistance.
