

A Message from the Village President NORTH BARRINGTON ELECTRICAL AGGREGATION

Background: In 2012, North Barrington residents approved a Resolution to have the Village manage a Municipal Electric Aggregation program on their behalf. This program allows the Village to seek competitive pricing for the residents' home electricity bills.

In September 2023, the Village sought competitive pricing for electricity. To continue to offer residents a 50% "Green" energy source, the Village authorized a 23-month contract with MC Squared Energy Services at a fixed rate of 7.75 cents per kWh. This rate is higher than ComEd's current "Brown" variable rate of 6.87 cents per kWh. This will result in an average household ANNUAL increase of approximately \$135.00. Our aim with this communication is to arm the residents of North Barrington with information so that you can make a decision that is best for you and your family.

Program Highlights

- If you are currently enrolled in North Barrington's 50% "Green" energy electrical aggregation program (AEP is the electricity provider) you will automatically be enrolled with MC Squared Energy Services 50% "Green" energy program.
- Participation in the program is completely voluntary.
- You may opt out or opt in at any time by calling (833) 421-1278.
- Guaranteed fixed rate of 7.75 cents per kWh for the 23-month term of the contract ending December 2025.
- You will continue to receive a single bill from ComEd.
- Maximum flexibility to enroll or opt out. No enrollment fees. No termination fees.
- Green energy reduces North Barrington's carbon footprint.
- North Barrington remains an EPA Green Power Community.

Please Note

- You won't be switched if you are participating in the hourly supply program.
- You won't be switched if you previously chose your own supply company.
- You won't be switched if you are participating in the Net Metering program.

If you are uncertain of your energy provider or program you are enrolled in please call (833) 421-1278.

Notice Mailed to Your Home: In late November 2023 you will receive a notice that will outline your options from MC Squared Energy Services.

Questions, please contact the Village at info@northbarrington.org or (847) 381-6000.
