

The Nine Lakes Watershed Partnership Presents

Lakes and Pond Management for Homeowners

**Monday, May 20, 6:30 p.m.
Lake Barrington Village Hall**

Learn the principles behind creating and maintaining a healthy and beautiful lake, including:

- **Preparing a lake or pond management plan**
- **Management using algaecides, harvesting, dredging, aeration and biological controls**
- **Achieving ecological balance for the long-term health of your lake**
- **The future of our water resources**

FREE to anyone interested in learning about the lifecycle of their lake!

Speakers include:

Mike Adam – Lake County Department of Health

Keith Gray – Integrated Lakes Management

Faye Sinnott – Flint Creek/Spring Creek Watershed Partnership

Monday, May 20th, 2019 6:30 p.m.

Lake Barrington Village Hall
22860 N. Old Barrington Road
Lake Barrington
