

**PUBLIC HEARING
ON PROPOSED BARRIER TO ENTRY
ONTO CLOVER HILL LANE FROM SOUTH RAND ROAD**

Notice is given that a public hearing will be held before the President and Board of Trustees of the Village of North Barrington, Illinois, on Wednesday, March 20, 2019 at 7:30 p.m. at the North Barrington Village Hall, 111 Old Barrington Road, North Barrington, Illinois, on a proposal to establish a barrier to the entry of public traffic at or proximate to the southwest corner of the intersection of Clover Hill Lane and the “Culver’s/Kohl’s road/driveway” west of Route 12 (S. Rand Road). Such proposed barrier, if established, would still permit traffic traveling southeast or east on Clover Hill Lane to exit onto Route 12/S. Rand Road unimpeded but would prevent public traffic from continuing to travel west or northwest on Clover Hill Lane from such intersection and Route 12/S. Rand Road. A depiction of the location of such proposed barrier can be found on the Village’s website. At such public hearing, members of the public may provide comment or testimony regarding the proposed barrier to entry or alternatives to same in writing or orally.
